Thank you for considering an adoption plan for your child and visiting this site. We appreciate the opportunity to introduce ourselves. We imagine you have a lot of things on your mind, so we will keep our introduction brief. More detailed information appears on the Dear Birth Mother page.

In short, we are Gina and Mike, a biracial (African American/Caucasian), professional, married couple in Maryland seeking to adopt a biracial or multiracial baby. We are home study approved and ready to parent. We are unable to have biological children and feel adoption is a wonderful way to build a family. Ultimately, we hope to adopt two children close in age. Our dream is to love and nurture each child in a manner that helps the child develop interests, talents and abilities that lead to fulfillment of his or her own dreams. In the process of raising a child, we plan to have plenty of family fun!
